CPT STATEMENT OF ACKNOWLEDGEMENT

Please read the information below carefully before signing.

To be completed by the F-1 student

I, the undersigned F-1 student, understand that CPT employment authorization is temporary and is primarily for the purpose of fulfilling my curricular requirements. I am required to maintain either (1) enrollment in the course(s) and/or (2) registration in a UL LAFAYETTE Career Services Internship Program <u>during the period of authorized employment</u>. I understand that if I do not fulfill necessary registration/enrollment requirement, the UL Lafayette Office of International Affairs (OIA) must cancel my CPT authorization.

I will report extensions or any changes (in work plans, locations, hours per week of employment, employment dates, etc.) to my CPT employment to the OIA <u>before</u> any such changes occur. I am aware that the changes are subject to approval by the OIA in order to continue my CPT authorization. I understand that if I change employers, I will need to apply for a new CPT by turning in new documents with the new employer information.

I understand that failure to abide by the above conditions may result in the forfeiture of any future terms of CPT authorization.
